

# BERKSHIRE SOUTH REGIONAL COMMUNITY CENTER

## Lead Toddler Teacher

### Job Summary

We are seeking an energetic and passionate Lead Toddler Teacher to join our growing early childhood education team. In this role, you will lead classroom activities, develop engaging curriculum, and support the developmental needs of toddlers. Your enthusiasm and expertise will inspire young learners and contribute to a nurturing environment that promotes growth, curiosity, and joy. Candidate must hold current Lead Toddler Certification from the Department of Early Education and Care, to be eligible.

Join us as a Lead Toddler Teacher to make a meaningful difference in young lives while working in a supportive environment that values innovation, collaboration, and community engagement. Your dedication will help nurture the next generation of confident learners!

### Duties

- Design and implement developmentally appropriate lesson plans tailored to toddler age groups, incorporating elements of literacy education, physical activity, and social-emotional learning
- Lead daily classroom activities that foster curiosity, independence, and positive behavior management
- Collaborate with colleagues to develop curriculum that aligns with early childhood education standards and best practices
- Support children's emotional well-being by creating a safe, inclusive, and engaging learning environment
- Communicate regularly with parents or guardians regarding children's progress, milestones, and any concerns
- Supervise classroom staff and assist in training new team members to ensure consistent quality of care and education
- Maintain detailed records of children's development, attendance, and assessments for program compliance and reporting

### Skills

- Strong knowledge of childhood development principles and early intervention strategies

- Proven experience in classroom management, lesson planning, and curriculum development for toddlers or preschoolers
- Expertise in behavior management techniques suitable for young children
- Familiarity with special education needs and inclusive teaching practices
- Excellent communication skills to engage with children, parents, staff, and community partners
- Ability to implement standardized testing methods when appropriate for developmental assessments
- Knowledge of childcare regulations, daycare standards, and child welfare practices

## **Requirements**

- Must have valid EEC Lead Teacher Certification. CPR and First aid will be required if not already current.
